

## How to add a "Comment" to the blog:

To start, left click on "comments" on the entry that you would like to comment on.

A screenshot of a comment form titled "Leave your comment". It features a large text area with the placeholder text "Type in your comment here." Below the text area, there is a note: "You can use some HTML tags, such as <b>, <i>, <a>". Below that, it says "Comment moderation has been enabled. All comments must be approved by the blog author."

You will see a new window that looks like this

Once you have completed typing your comment, you will need to type in the letters that you see above the "word verification" box.

WORD VERIFICATION

Type the characters you see in the picture above.

Please note: All comments will be screened before posting to the blog. Inappropriate comments will be deleted.
