LAKE SHORE REBELS 1973

Tackle Football Comes to Oak Lawn

This Fall Lakeshore Athletic Association added tackle football to its other sports events when they entered a team into the Archer Park Football League in Chicago.

The first game was played on September 22: pitting the Lakeshore Rebels against the Pasteur Park Buccaneers. The game saw sawed back and forth and finally Lakeshore broke it open with a score by Laidlaw and the Rebels strong defense held and Lakeshore came away with a 7-0 win.

When asked how it looked, the Rebels Coach, Lou Novinson, said his team looks great and that the

Buccaneers were a team to watch.

The following Saturday, September 29, found the Rebels meeting last year's Champs, the Archer Park Orioles, on a very muddy field. The game ended in a 12-12 tie.

This Saturday finds three games being played at Worthbrook Park, 89th and Ridgeland, Oak Lawn. The first game is at 10:30 am with the Davis Square playing Archer Park. The second game finds the Pasteur Park Buccaneers playing the Chi-Town Raiders from Gage Park and the third game will be the Lawndale Park Patriots vs. the Lakeshore Rebels.

The Rebel coach said he feels that this is the start of football on a sandlot basis in the future and that next year could find a 10 team league made up of teams from the southwest suburbs.

Coach Novinson went on to say, "It's the best thing that could happen in the area - kids who can't

afford college, or didn't get the chance in high school, can try out for future teams. You know they want to play when they have a roster of 27 men and every night finds 24 of them showing up for practice."

So let's go you armchair quarterbacks, let's see you there this Saturday.

Sandlot Football Comes To Oak Lawn

This fall the Lakeshore Athletic assn. added tackle football to its other sports events when they entered a team into the Archer Park Football League in Chicago.

The first game was played on Sept. 22, pitting the Lakeshore Rebels against the Pasture Park Buccaneers. The game saw a saw-toothed back and forth and finally Lakeshore broke it open with a score by Laidlaw and the Rebels strong defense held the Buccaneers to a 7-0 win.

When asked how it looked the

Rebels coach Lou Novinson said his team looks great, and that the Buccaneers were a team to watch.

The following Saturday, Sept 29 found the Rebels meeting last years champs the Archer Park Orioles.

The day started out with rain. The field was a mud hole and game plans and strategy had to be changed in a minutes notice. The Rebels kicked off and held. After receiving the ball on the first play Bill Brand went 70 yards for a T.D. The Extra point was missed. On the next series of downs the Rebels defense once again forced a turnover and the Rick Hayward went up the middle for 60 yards an another T.D. Again the extra point was missed.

It looked like the Rebels were off to the races but the mud and weather soon began to take its toll, a pass play by Archer Park was good when the Rebels corner back went for a slide in the mud and the Orioles were on the board, again the defense held and the extra point was missed.

The Rebels were holding a 12-6 lead going into the closing minutes of the fourth quarter when they were forced to punt and a runback soon had the score tied 12-12. When the Rebels were forced to punt again the 2 minute warning was given, and the Rebels once again were wondering if the Orioles were going for the win or would they settle for the tie.

On the first play the question was answered and the Rebels were told to get the ball back. After some brilliant defensive play by Doug Berg, Larry Taylor, Tom Wallace, and Jim McCarville they forced a turnover and with just 16 seconds left, Craig Lindgren the Rebels quarterback elected to trust the foot of his place kick Bill Dvorak rather than pass a slippery muddy ball, the ball was snapped and once again Mother Nature stepped in and it hit the mud, quick thinking by Tom

Wallace who was holding the ball, picked it up and threw it to his end who was wide open, and the ball was just too slippery to hang onto and was dropped. So the final score was 12-12.

This Saturday finds 3 games being played at Oak Lawn. They will be played at Worthbrook Park, 89th and Ridgeland. The first game is at 10:30 a.m. with the Davis Square playing Archer Park, the second game finds the Pasture Park Buccaneers playing the Chi-Town Raiders from Gage Park, and the third game finds the Lawndale Park Patriots playing the Lakeshore Rebels.

Undefeated Season for Lakeshore Rebels

In what was a tough seesaw battle Saturday, November 10 saw the Lake Shore Rebels defeat the Pasteur Park Buccaneers 8-6.

The Rebels, playing without their regular center, found themselves turning the ball over to Pasteur Park on fumbles throughout the first half.

On the very first set of plays, the Rebels fumbled and along with a 15 yard penalty gave the Buccaneers the ball on the Rebel 12 yard line after 2 plays that were stopped at the line. The Buccaneers went to the air and on a perfect pass scored a touchdown. It was the first time this year that anyone ever scored on the

Rebels first.

The Rebels had fumble-ititis all through the first half, and as in the past their defensive team, headed by McCarville, Wallace, Herbold, Nagel, Berg and Kalibeck, held Pasteur with the first half ending at 6-0.

At half-time, I asked the Rebel coach what the problem was and he said that they had been practicing that fumble play all week and so far it worked well. The Rebels turned the ball over to the Buccaneers 11 times the first half.

The third quarter started out like the first half with the tough defense stopping Pasteur. Only this time,

Lindgren teamed up with Bill Davorack with passes and found the Rebels putting it together finally.

But a tough Buccaneer defensive denied them a tally going into the fourth quarter. The Rebels were still down 6-0 when Rick Hayward picked off his second interception of the game and the big tank headed for the goal line but was nailed at the 15. Lindgren then handed to Doyle; then on a great second effort, Doyle went over. The extra point was missed and when it looked like overtime was going to decide the game, Hayward again picked off a pass and returned it to the 6 again. The fumble play

was used and with 5 seconds left, Pasteur had one play and the ball was snapped and Doug Berg stormed through the line like he was shot from a cannon and was all over the Buccaneer back for a safety and 2 points.

Needless to say, the ride back was a joyous one. The 1973 Lake Shore Rebels were unbeaten. The players awarded the game ball to their coach Lou Novinson, who said that this ball was worth more to him than money, because it represented a great deal of work and hours by his players. The ball represented more than a winning season, but the respect of 30 ball players.

The Rebels now are planning their first banquet of the year December 1 at the Sheraton Oak Lawn Hotel. Tickets are \$3 per person for those who would like to attend. Also awards will be given to 5 players for outstanding achievements. Speakers will include Mr. Fred Parks, Dorothy Olson, and the most ardent supporter of LSAA, Mr. Ed Meier, President of the Library Board.

LAKE SHORE REBELS

Rebels Sheer Victory

A group of former Oak Lawn gang members went from trouble to triumph this fall as their football team, the Lake Shore Rebels, had an undefeated season.

Edward Meier, Oak Lawn Library Board President, presented trophies to the team members during an awards banquet held last week at the Oak Lawn Sheraton.

The team was organized this fall by Lou Novinson and the Lake Shore Athletic Association. The LSAA was originally organized with members of two gangs that used to hang out in Lake Shore Park, the "Assassins" and the "Mud Runners."

Meier was instrumental in getting the group its first meeting place. The LSAA uses a store at 5246 W. 95th Street that is owned by the Oak Lawn Library.

Lou Novinson, who also coached the Rebels, said, "They told me it couldn't be done." Nevertheless, Novinson outfitted 35 men last summer and the group entered the Archer Park Football League in Chicago because there was no suburban league for this post-high school age group.

Receiving awards were: Lindgren, most valuable

player; Rick Kalabeck, most valuable lineman; Jim McCarville, best defensive back.

Also attending the banquet were: George Behnle, Library Board Trustee; John Hardek, Village Trustee; Janet Swanson, Park Commissioner; Robert Hope, Park Superintendent; and Fred Parks, Athletic Director at Oak Lawn High School.

Meier commented during the presentations, "I am very gratified that the library was able to provide, however minimally, the tools that led to the team's success."

LSAA football team wins; ends season unbeaten

The Lake Shore AA Rebels defeated the Pasteur Park Buccaneers football team 8-6 to complete their season unbeaten.

The Buccaneers scored first early in the tilt. Pasteur capitalized on a fumble and a 15-yard penalty against Lake Shore to put the football in scoring position on the Rebels 12-yard line.

After two plays from scrimmage that gained nothing, the Buccaneers went to the air and tallied a TD on a pass. The Rebels came from behind in the 4th quarter to pull the game out of the fire of defeat.

Rick Hayward intercepted a pass to put the football in scoring position. The tying TD was tallied by young Doyle after a tremendous second effort.

Doug Berg tackled a Buccaneer ball carrier in the end zone later in the final quarter for the two-point safety that won the game.

Coach Lou Novinson was awarded the game football.

Novinson announced that

plans call for organizing a league in the area for next season.

The league would be comprised of teams with players no longer in school but who want to play football. The LSAA Rebels first banquet will be held Dec. 1 at the new Sheraton-Oak Lawn Motor Hotel. Tickets are \$3 a person.

Guest speakers will include Fred Parks, athletic director at Oak Lawn High school, and Dorothy Olseon, one of the biggest boosters of the LSAA athletic program.

Additional information can be obtained by calling Novinson at 726-4588.

Lakeshore Club in Cook County Football League

What started out to be just a pipe dream of 20 young men from Oak Lawn this week took one of the biggest steps ever tackled by a group of independent young men. In the past 4 years, Lakeshore Athletic Assn. has swelled its ranks from the original 20 to over 600 and has been active in just about every sport going. Last year they entered the Lakeshore Revels football team in the Archer Park football league and went undefeated. This year they felt that it was time they moved another step forward and bought a franchise in

the fast growing Cook County Football League in Chicago.

Tryouts for the team which consists of young men from the age of 18 and older will begin July 22nd. The L.S.A.A. will be holding meetings prior to that date for anyone who wants to register. Anyone interested can call Tom Wallace or Rick Hayward at 726-4588 for information.

A spokesman for L.S.A.A. stated that from last years turnout and a survey made of the southwest suburbs there are a lot of young men who couldn't go to college because of lack of

funds or didn't get a chance to prove themselves in high school but still feel they can play and this will give them a chance to try again.

Already coaches have come forth to offer their services to this organization. Like one coach said, "A lot of these kids first came to me as freshman and sophomores in high school." He was looking forward to

see if his teachings stayed with these boys.

So any players interested get in touch with the above people early and fill out the application. Every player will start the same and will have to earn his spot on this team.

L.S.A.A. is optimistic about this team and feel that it will soon be on its way.

Rebel Gridders Meet June 26

When the Lakeshore Rebels had their first day of football training in looking ahead to opening day, Sept. 8, at Oak Lawn High school, some 50 gridiron players turned out. The team is made up of players over 18, and many were stars on their high school teams in the suburban as well as Chicago area.

The team will be practicing every Tuesday and Thursday beginning at 6:30 p.m. at Worthbrook Park, 89th and Ridgeland, if you want to look in on preseason preparations. Coach Chuck Childers and assistants Jack Doyle and Wayne Jakados say they don't mind a bit. In fact, a little interest shown in the senior amateur squad would help.

There are sure to be some rigorous sessions and some lively scrimmages. The Rebs open up Sept. 8 against the defending champions of the Cook County Football League. To quote Lou Novinson, their business manager, "It's no surprise. We're used to getting the tough ones first."

The Rebels will be playing strictly Sunday football and the attendance ought to be excellent. Anyone interested in obtaining tickets can call 726-4588. Novinson said the players will also be selling tickets and some ducats will be available in area stores.

The Rebels will be playing 10 games at Oak Lawn High school, all scheduled to have 1:30 starting times. Their slogan, incidentally, is "Watch the Rebels in '74." And, why not?

Lou Novinson, coach and manager in the Lake Shore Athletic Association in Oak Lawn, has obtained a franchise in the Cook County Football league. His team last year captured the title and went unbeaten in the Archer Park league for players not over 19.

This fall Novinson will put a team on the field with players who can be any age but not high school or less. There is no maximum age and the players will be coached by an experienced and well-qualified man, Charles Chilvers of Oak Lawn High school. He is volunteering his services.

The team will be known as the Lake Shore Rebels. Any gridiron athletes, over high school age, can try out by calling Novinson (a real gentleman who has the welfare of young men the thing that is one of the closest to his heart) at 726-4588.

The team will play Sunday league games and it is expected that the club will be a stepping stone for talented football players from southwest Chicago and suburban areas.

Rep. Yourell pictured above with Lou Novinson on the left the team mgr. purchases the first book of season tickets from head coach Chuck Chilvers.

Mr. Yourell said he was very impressed with what he saw and looks forward to the first game of the season on Sept. 8th. Mr. Yourell also remarked that the coaching staff can be proud of their efforts toward the youth of the area.

Anyone wishing to purchase tickets for the season can call Lou Novinson at 726-4588 or inquire at the gate on Sept. 8th.

Dear Mr. Wiltshire:

It has been brought to my attention that the Lake Shore Athletic Association is in process of negotiating an arrangement with your Board to provide recreational facilities for a football team to be entered into a league in Chicago under sponsorship of this Association.

It has been my pleasure to have been associated with this organization and I can assure you that should the Board decide favorably, that action would be welcome by all residents of Oak Lawn.

It seems to me that our educational facilities should do all that they can to generate interest in activities of our local residents.

Perhaps with total involvement referenda which is so necessary to the improvement of our schools in the area would be considered more favorably.

I would hope that the Board consider this request with the thought that our educational facilities would be used to their fullest extent.

Thank you for your attention to this matter.

Rebels to hold football meeting

The Lakeshore Rebels of Oak Lawn are rapidly organizing their football team for young men 18 and over. The team will be a first for the area.

As part of their organizing procedures the Rebels will hold their second meeting Wednesday, June 26, at the VFW Hall, 9514 S. 52nd ave. in Oak Lawn. The Rebels plan to start their preseason workouts July 23. Their first game in the fast growing Cook County Football League is Sept. 8.

Coach Chuck Chilvers, from Oak Lawn High school, said he will allow any young man interested in trying out to do so. Chilvers added that if the roster carries as many as 45 players he will use them all.

Lakeshore Athletic Association spokesman Lou Novinson said the new team was instituted due to the great success last year's team had. The purpose of the team, Novinson said, is to allow young men who might have missed out on playing in college because of financial, scholastic or any other reasons that players are overlooked when the scouts come out.

The LSAA feels that there is a great abundance of talent around the area, Novinson said. The LSAA wants to start an organization that young men just starting high school can look forward to in the future, he added.

Chilvers Heads Rebels

The Lake Shore Rebels football team of Oak Lawn is looking for men 18 and over who would like to play football in the fast growing Cook County Football League.

The meeting is slated for June 26th at the V.F.W. Hall at 9514 S. 52nd Av. in Oak Lawn. This meeting is extremely important as the Rebels will start practice July 23rd and play their first game Sept. 8th.

Chuck Chilvers, Oak Lawn High School coach, will be head coach for the Rebels.

Oak Lawn Rebels Hold Final Meeting July 17

The Oak Lawn Lake Shore Rebels will hold their final meeting on July 17 for anyone who wishes to play semi-pro football. The team has joined the Cook County League which will provide excellent competition. There is an eight game schedule with a possible play-off and all games will be played at Oak Lawn high school Stadium, which was approved by a concerned, community-minded board of education.

The meeting is slated for July 17 at the VFW Hall at 9514 S. 52nd ave. in Oak Lawn at 7 p.m. So far there has been a good turn out and there is still room for men 18 years or older who want to play good organized football. Practice will be on Tuesday and Thursday nights beginning July 23.

Chuck Chilvers, Oak Lawn Varsity Football Coach, will be head coach for the Rebels. If any further information is needed please contact Rick Hayward or Tom Wallace at 726-4588 before 2 p.m. Coaches pictured above, left to right, are Jack Doyle, Chilvers, and Wayne Jaclos.

Grid Rebels Join County Conference

Once again the young men of Lakeshore Athletic Assn., led the way in the Southwest Community of Oak Lawn in organized sports. Over the past four years sports that have been organized, other than school athletics, have been pretty much the efforts of these young men.

Rick Zdano, the Assn. secretary, stated that when the L.S.A.A. was formed four years ago it was with the idea that not all kids are college material, or there were those who just couldn't afford the money it takes to go to college, but most still wanted to be active in sports, so the Lakeshore Athletic Assn. has run basketball, softball, boxing, and last year for the first time football. All have proved successful. These boys did this without appropriated funds, but through donations, tickets, and their own efforts.

Now L.S.A.A. takes a big step forward, after last year's undefeated season in the Archer Park football league, they found that there are a great many young men who want to play football this year. So they bought a franchise in the fast growing Cook County football League. The league, which headquarters in Chicago, voted to award L.S.A.A. The last opening of the current season. James Minnick, president of the league, stated that it was the unanimous decision of the voting teams that the "Rebels," as they are called, will be a great asset to the Cook County league.

Tryouts for the team will start July 22 and are open to all young men from the age of 18 and over. L.S.A.A. is in the process of trying to secure a field from one of the area's high schools. Any player who would like to try out for the team can contact Rick Hayward or Tom Wallace at 726-4588. There will be at least three meetings prior to the beginning of practice and these dates will be announced throughout the area. The main qualification is that you have the desire to play football, and for the older guys, Sunday can be interesting in the fall this year. Instead of watching a game on T.V., you can "Watch the Rebels" every Sunday afternoon.

Zdano estimates that there are a great many ex-high school and college men who still want to play football from the southwest suburbs.

Signing up with Lon Novinson at the Johnson Phelps V.F.W. Hall are (left to right) John Mica, Bill Skelly, Larry Capietz, George Laidlaw, Hector Tellez, Mike Ciara and looking on is John Newman.

Shades of the Midway, or should we say "watch it, George Halas"? Although they might not be as big as the Bears, pound for pound you won't see any better football in the area.

The Lakeshore Rebels out of Oak Lawn, recently received a franchise from the Cook County Football League which is comprised of teams from Chicago of young men 18 and over, which has brought many of the young men back on to the football field after they left High School and College.

The Rebels hold their training sessions at Worthbrook Park in Oak Lawn located at 89th and Ridgeland every Tuesday and Thursday night at 6:30

P.M. Area residents are welcome to come out and get a sneak preview of what to expect this coming fall.

The Rebels will be playing all of their games at Oak Lawn Community High School Football Field on Sunday at 1:30 P.M.

The price of admission is \$1.00. The first game will be played on September 8 against last year's Champs, the Outlaws.

The Rebels are proud of what they have started and feel that this will become a permanent thing for the area residents as well as something for young men who are still in High School and younger boys

who will be starting high school in the future.

Not all high school players or for that matter any boy with the desire to play, can go to college but at least he will know that he can play football. Tickets for all the games can be purchased in some of the area stores as well as at the gate, or call 726-4588 and ask for Rick Zdano.

The team has great hopes that the people of the area will support them and attend. As the Manager said "The Price Is Right".

Think of the fresh air on a Sunday, instead of a living room chair and T.V. You can join the Rebel's cheering section.

Rebs, Outlaws to clash in OL

The Lake Shore Rebels moved their semi-pro football record to 5-2 with a closely-fought 13-6 victory over the Chicago Vikings Oak Lawn High school field.

The Rebels will seek revenge today, Sunday, against the Chicago Outlaws at 1:30 p.m. at Oak Lawn High school. The Outlaws dealt the Rebels a 31-7 loss in the first game of the season.

The Rebels are much improved over the team that launched the season back on Sept. 8.

The Rebels came from behind to defeat the Vikings. Tony Armijo capped a 55-yard drive by taking the football into the end zone on a keeper from two yards away.

The Rebels go-ahead

touchdown came on another long drive with Rick Hayward running the last six yards for the TD. Hector Tellez made the extra point.

Later, Greg Skelly ran 65 yards with a punt for a touchdown but the play was nullified by a penalty. The bad break was balanced off when the Vikings deep safety ran a punt back for 65 yards and a TD, only to have the long gainer brought back on a clipping penalty.

With seconds left to play, Dave Weigand intercepted for the Rebels to insure the victory.

The Rebels front office expressed appreciation to a group of girls that acted as the cheering section. "It sure gives you a lift to know you have fan support," the statement said.

Lakeshore Rebels Edge By Chicago Hellcats

The Chicago Hellcats held on to a 1 point margin to defeat the Lakeshore Rebels Sunday, October 13th at Oak Lawn High by a score of 14-13 in what turned out to be a real thriller.

The Lakeshore Rebels scored when Armijo tossed a 25 yard pass to Greg Skelly who raced 65 yards for the tally. Then Trevor Butcher posted the extra point and the Rebs had a 7-0 lead in the first quarter. The defense held for the Rebels and the Hellcats had to punt with the rain starting to come down. The defensive back misjudged the

punt and it went into the end zone for a safety. Then the Hellcats with the help of some costly penalties scored and the score was 8-7 after they missed the extra point.

The Rebels took the lead again when Jim Bernal blocked a punt and fell on it in the end zone. Butcher missed the extra point and the Rebels held a 13-8 lead in the 3rd Quarter. Then with two 15 yard penalties and a hard drive by the Hellcats gave them their second T.D. and a 14-13 lead going into the fourth quarter. The rain really

began to come down and it was slippery ball-handling for both sides and the Hellcats held on to the 14-13 score. The Hellcats are to be commended for their ball control in the 4th quarter when they held on to it for 9½ minutes.

Once again the Rebel defense was hard at work with Mark Williams playing a brilliant game. Williams along with Bob Johnson who also was all over the field and Steve Nelson, Dom Tripoli, Dave Wiegand, and Jim Bernal.

Our hats are off to the loyal Rebel fans who sat through the rain and refused to give up until the last play. As one spectator said, I have been coming here to see every game and there is nowhere today that you can spend a dollar and get so much for it.

Lakeshore Rebels Beat Chicago Vikings

After suffering their second loss of the season the Lakeshore Rebels from Oak Lawn picked themselves up and beat the Chicago Vikings 13-6 Sunday to give them a record of 5-2 for the season with 3 games yet to play.

The Vikings scored first on a pass play then missed the extra point. But the Rebels bounced right back when Armijo ended a 55 yard drive by running the ball in from the 2 yard line and

the Rebels also missed the extra point.

The second touchdown came on another long drive by the Rebels and then Rick Hayward took it over from the 6 yard line the Rebels elected to run the extra point rather than kick it and Hector Tellez took it in and the score was then 13-6 Rebels.

Greg Skelly took a punt and ran 65 yards to score only to have it brought back because of a penalty, the second half saw the Rebels

play ball control and did a pretty good job of it.

With just 58 seconds left on the clock the Rebels had to punt and the Viking back also ran it back 55 yards and a T.D. only to have a clipping penalty called on the next play Dave Weigand intercepted and the Rebels ran out the clock.

This coming Sunday, November 10th, the Rebels take on the Chicago Outlaws who beat them 31-7 in the first game of the season.

Lakeshore Rebels Win

The Oak Lawn Rebels semi-pro football team will host the Chicago Sweepers today Sunday, at 1:30 p.m. at Oak Lawn High School field.

The Rebels defeated the Chicago Vikings 19-13 in a real barn-burner last Sunday. The Sweepers in their last two games have won by scores of 44-0 and 23-13.

A Rebel passing combination of Tony Armijo to Greg Skelly netted 31 yards early in the game and the Oak Lawn eleven scored first against the Vikings. An Armijo to Skelly aerial was good for a TD late in the game, with Frank Fett booting the extra point.

Armijo plunged two yards for the Rebs second TD, shortly after the second half started. The TD came after Barry Murray ran 55 yards on a kickoff.

Hector Tellez was the leading ground gainer and Bob Johnson sparkled on defense for the Rebs.

Lakeshore rebels beaten in league opener

The newly formed Rebels out of Oak Lawn lost their first football game to last year's Champs by a 31-7 score. although the score might seem like things looked bad for the Rebels, Lou Novinson, team General Manager said that the Rebels made many mistakes but that he expected as this was their first game, practice or otherwise.

Lou wanted to also make it clear that by no means is he taking it away from the Chicago Outlaws. They have a powerful team, and their quarterback really knew how to mix their plays. The Outlaw manager stated that their team has been playing together almost nine years.

The score was 3-0 at the end of the first quarter, but then the Outlaws got their team rolling and had a 27-0 lead at half-time. The Rebels defense got back on the track in the second half and only yielded 6 points the entire half.

The Rebel Quarterback Tony Armijo teamed up with Greg Skelly and began passing all over the place. Skelly who played his football at Oak Lawn High was tremendous on his receiving. He took one 40 yard pass while almost lying on his back, and went in for the T.D. on the next.

Bob Johnson, Rick Hayward, Dom Tripoli and Rick Rume were also standouts on both offense and defense.

The Rev. Bierstadt, of Oak Lawn who is 80 years old and played college ball in 1915 was there to throw out the first ball, and the crowd gave him a standing ovation. Visitors who came with the Outlaws told Charles Laidlaw, Asst. Manager that it was great that they were able to come to Oak Lawn and root their team on without feeling out of place, and all in the crowd had a good time and from their reaction, Sunday football is here to stay.

Lakeshore Rebels Triumph

The Lakeshore Rebels of Oak Lawn avenged their loss of last week by defeating the Chicago Saints 11-2 in what was a great day for the defensive teams on both sides.

The defense for the Rebels was sparked by Mark Williams who along with Eddie Brand and Larry Davi intercepted passes. Mark also scored a safety along with Jim Bernal who jumped on another one. Mark also teamed up with Bob Johnson and were all over the Saints offensive team.

John Nohava, Jim McCarville, Dave Wiegand, and Steve Nelson penetrated the Saints front line more than the Saints quarterback cares to remember.

The lone touchdown for the Rebels came when the Rebels had the ball on the Saints five yard line and Tony Armijo went over on a quarterback sneak.

The Lakeshore Rebels take on the Chicago Vikings who lost a real tough one to the Chicago Saints last week. When asked about what it looks like for next week Coach Chuck Chilvers said that he doesn't go by previous scores and that there was still a lot of work to be done.

The Lakeshore Rebels play every Sunday at Oak Lawn high school at 1:30 and hope to see a lot of Oak Lawn fans show and support them. Tickets can be bought at the gate.

The second touchdown came on another long drive by the Rebels and then Rick Hayward took it over from the six yard line. The Rebels elected to

run the extra point rather than kick it and Hector Tellez took it in and the score was then 13-6 Rebels.

Greg Skelly took a punt and ran 65 yards to score only to have it brought back because of a penalty. The second half saw the Rebels play ball control and they did a pretty good job of it.

With just 58 seconds left on the clock the Rebels had to punt and the Viking back also ran it back 55 yards for a touchdown only to have a clipping penalty called. On the next play Dave Weigand intercepted and the Rebels ran out the clock.

This Sunday the Rebels take on the Chicago Outlaws who beat them 31-7 in the first game of the season.

The Rebels would like to say thanks to the group of girls who acted as the cheering section for the Rebels. As one player put it, "it sure gives you a lift to know that you have fan support."

Lakeshore Rebels Drop Thriller

The Chicago Hellcats held on to a one point margin to defeat the Lakeshore Rebels Sunday, Oct. 13, at Oak Lawn high school by a score of 14-13 in what turned out to be a real thriller.

The Lakeshore Rebels scored when Armijo tossed a 25-yard pass to Greg Skelly who raced 65 yards for the touchdown. Then Trevor Butcher posted the extra point and the Rebs had a 7-0 lead in the first quarter. The defense held for the Rebels and the Hellcats had to punt. With the rain starting to come down the defensive back misjudged the punt and it went into the end zone for a safety, then the Hellcats with the help of some costly penalties scored and the score was 8-7 after they missed the extra point.

The Rebels took the lead again when Jim Bernal blocked a punt and fell on it in the end zone. Butcher missed the extra point and the Rebels held a 13-8 lead in the third quarter. Then two 15 yard penalties and a hard drive by the Hellcats gave them their second touchdown and a 14-13 lead going into the fourth quarter then the rain really began to come down and it was slippery ball handling for both sides. The Hellcats held on to the 14-13 score. The Hellcats are to be commended for their ball control in the fourth quarter as they held on to it for nine and one half minutes.

Once again the Rebel defense was hard at work with Mark Williams playing a brilliant game. Williams along with Bob Johnson who also was all over the field and Steve Nelson, Dom Tripoli, Dave Weigand, and Jim Bernal.

And our hats off to the loyal Rebel fans who sat through the rain and refused to give up until the last play. Like one man said, "I have been coming here every game and there is no where today that you can spend a dollar and get so much for it."

WALLOP BRUINS 24-0

OL Rebels In Big Win

The Lakeshore Rebels behind some great teamwork on the part of all its 50 man squad rolled past the Chicago Bruins in the Cook County Football League Sunday at Oak Lawn high school by a score of 24-0.

The first score came when the Bruins fell prey to the Rebels middle linebacker Bob Johnson and miscued on a snap that sailed over the punters head into the end zone where Jim Bernard grabbed it, for a touchdown.

The defense went to work for the Rebels and got the ball back and behind some brilliant running by Rick Hayward and some outstanding pass receptions by Greg Skelly the Rebels moved to the Bruins one yard line and with everyone expecting Armijo to sneak it over he pulled a keeper and took it around the left end for the second score.

In the second half the Bruins came to life and began to move the ball but once again the Lakeshore Rebels defense came to life. Bill Schultz, Dave Weigand, Gerald Kasley and Mark Williams really put on the heat and the Rebels once again took over. Armijo hit Skelly with a 40

yard pass and Skelly danced the side lines for a score, after a see saw battle Armijo once again tossed a 45 yard pass to Skelly who took it in for a score.

What makes the victory so important to the Rebels is that they moved into a three way tie for first place as the Vikings who play the Rebels at Oak Lawn high beat the Chicago Outlaws Sunday 21-18, so this Sunday will be a real head on clash for the Rebels.

Coach Chuck Chilvers said he was really pleased with the running of Rick Hayward at fullback, Rick was a guard up until last Sunday.

Assistant coaches Wayne Jadas, Jack Doyle and Jim Perisi said there is a lot of work to be done between now and next Sunday, the Rebels hope to see the residents of Oak Lawn come out and cheer the team to victory.

Rebels close to playoffs

The Lake Shore Rebels will oppose the Chicago Sweepers today (Sunday) at 1:30 p.m. at Oak Lawn High school stadium with a berth in the Cook County Football League playoffs at stake.

The Rebels, in a tie for second place, defeated the Longhorns last Sunday 20-0 to clinch at least a second place tie no matter the outcome of today's football fracas. The Rebs from Oak Lawn have come a long way since an opening day loss to the Outlaws back on Sept. 8.

Credit for the team's great improvement in semi-pro circles goes to coaches Chuck Chilvers, Jack Doyle and Wayne Jadas. Argo coach Jim Parisi was a volunteer who helped bring along the Rebels.

As an extra added attraction today the game at halftime will feature the Oak Lawn Park District baton twirlers. Admission is \$1 per person.

Dennis Sears had runs of 45 yards and 35 yards for two of the Rebels TDs, along with a run for a two-pointer after TD. Barry Murray boomed into the end zone from six yards away for the other Rebel TD.

Spirit is high on the squad with the players, coaches and fans anxious for the playoffs and another chance to knock off first place Chicago Outlaws.

Lakeshore Rebels Gain Playoffs

The Lakeshore Rebels fought like Tigers Sunday to gain a berth in the Cook County football league playoffs.

The Rebels really played like true champs in a real thriller 7-7 ball game. The Rebels, youngest and smallest team in the league, were not slated to go anywhere this year but a jubilant Lou Novinson stated that they didn't figure on the Rebel's great coaching staff and the fact that the Rebels are a real gutsy bunch of kids who come to play ball.

Mark Williams scored all seven points for the Rebels. Mark played like he really meant to be in a playoff game. He not only ran offense but played defense and also did the punting.

Mark, an alumni of Oak Lawn, has been one of the outstanding players for the Rebels. Sunday's game was a real great one for the Rebels as they played together like most teams would like to. The defense was so great that it would almost be impossible to single out any one man. The offense played hard-hitting ball. Along with Williams, Greg Skelly, an end converted to back, helped pace the attack by showing what second efforts can do. Hats off to the offensive line which really rose to the test. Keep it going Rebels.

The crowd was treated to some halftime entertainment by the Oak Lawn Park district baton twirlers headed by Arlene O'Conner. The young girls withstood the falling rain just as the Rebels. They had come to do their thing and nothing was going to stop them. Thanks for the show goes to, Debra Janiak, Rhoda Kuntaman, Jeanne Hermeun, Janet Wartinski, Kathy Supple, Trich O'Connor, Liza Howe, Renee Stewart, and Lynn Przbyla. Our thanks from the Rebels football team to these young girls for helping us put on a community program.

Rebel Award To REPORTER

The Oak Lawn Lakeshore Athletic Association presented the REPORTER with a special award at the annual Lakeshore Rebels Football Banquet Dec. 14.

The plaque reads: "Special Service award presented to the Worth-Palos REPORTER for their excellent coverage of local sports events." REPORTER sports editor Bernie McCarty, in accepting the award, stated, "Most organizations feel newspapers don't need awards for covering the news because that's a newspaper's job. Believe me, newspaper people are no different from anyone else and like to be recognized for their efforts."

Linebacker Bob Johnson, a graduate of Oak Lawn High School, was named the most valuable Rebel player for 1974. He also won the linebacker trophy. Other trophies went to offensive backs Tony Armijo and Hector Tellez; offensive lineman Frankie Pape; defensive lineman Jim Bernel; defensive backs Mark Williams and Dave Weigand, most improved player Steve Balich; and coaches award Greg Skelly.

The volunteer coaches of the Rebels were Chuck Chilvers, head coach, and Jack Doyle, Jim Parisi and Wayne Jadas. Lou Novinson was the manager and Chuck Laidlaw acted as assistant manager.

The Rebels recorded a surprising 6-3-1 record and earned a berth in the league playoffs. Graduates of Oak Lawn and Richards High Schools dominated the club, but other team members were from Reavis, St. Rita, Brother Rice, Marist, Hubbard, Hillcrest, Eisenhower, Argo and Kennedy. And a few players were from as far away as Kansas, Ohio and England.

Trophy winners are Lake Shore Rebels football players who were honored at a banquet Saturday night. The Rebels first football season was considered highly successful. The team finished with a record of 6-3-1 against rugged semi-pro competition. The Rebels include (top row, from

left) Tony Armijo, Steve Balich, Frank Fett, Mark Williams (bottom row) Greg Skelly, Dave Weigand, Bob Johnson, Hector Tellez and coach Chuck Chilvers. (Economist photo by George Bertonz).

Lakeshore Athletic Assn. Hold Awards Banquet

Saturday, Dec. 14, the Lakeshore Rebels held their second annual football banquet at the Johnson Phelps V.F.W. Hall in Oak Lawn.

Receiving awards for outstanding community service at the banquet were the Oak Lawn High School, the Worth Palos Reporter, and the Johnson Phelps V.F.W. Post 5220.

Mr. Edward Meier, President of the Oak Lawn Library, was the master of ceremony. He opened the banquet by giving a resume of the past five years of achievements by the Lakeshore Athletic Association. A group formed by the youth of Oak Lawn without the aid of village or state funds, but by support of the local merchants and people of Oak Lawn.

The first award for community service went to the Oak Lawn High School. During the past four years have been allowing the L.S.A.A. use of its facilities, this year for the first time rented its football field to the Rebels. As was stated, the O.L.C.H.S. has built a bridge now and have shown that the responsibility of any civic group goes beyond the Board on which they sit.

Mr. George Vogel of the school board accepted the award.

The second award went to the Worth Palos Reporter Newspaper for its fine coverage of the local events. Mr. Bernic McCartney accepted the award.

The Johnson Phelps received an award for outstanding community service toward the youth of Oak Lawn. Lou Novinson in his presentation stated that the V.F.W. was one of the leaders when it came to aiding the community. He praised Mr. & Mrs. Bill Hewitt for their 5 years of help, both as V.F.W. members and as parents. He also stated that Lakeshore Athletic Assn. succeeded because of help from people like those at the V.F.W. Mr. George Rysenka, the Commancer accepted the award.

Players were then introduced by coach Wayne Jados and Jack Doyle. Given awards were, best offensive backs, Hector Tellez and Tony Armijo; best defensive backs, Mark Williams and Dave Weigand; best offensive lineman, Frank Fett; best defensive lineman, Jim Bernel; most improved player Steve Ba-

lich, and the most valuable player, Bob Johnson, also was the best line backer of the year.

Present was Richard Geist from Worth township. He was very impressed by the boys and talked at great length with them about the facilities available in Worth township.

Mr. Chuck Chilvers, the head coach, said that he

could sum up the entire team in one word-desire. The team captains stated Chuck Chilvers is the type of man you want to give 150% as a real leader.

Lou Novinson and Chuck Laidlaw, managers of the team stated they were glad to see the responsible groups of the area get together and push these worthwhile programs together as a team.

Dear Mr. Novinson:

At their regular meeting on Wednesday, November 20, 1974, the members of the Board of Education reviewed and considered the rental of the football field to outside groups for extended periods of use. After a lengthy and sincere discussion on this matter, it was the feeling of the Board members that it was not in the best interest of the school district to rent the football field for an extended period of time.

Accordingly, the Keneipp Stadium will no longer be available for the Lake Shore Athletic Association to use as a football field. We hope this early notification will be of some help to you in locating a field for next year.

Sincerely
