Welcome

To the 1985 L.S.A.A. BANQUET

This banquet is to conclude a tremendous season. It was a season that saw 41 young people become involved in activities from playing basketball to cheerleading to scorekeeping. And finally, to set-up and clean-up.

It saw many of past participants come forward and give assistance to the newcomers.

It saw a large college open its heart as well as its doors to the community it serves.

It saw many parents and their children share time with each other.

It saw young people play basketball, holler cheers, sell tickets, coach, and just plain everyday caring about those who are unable to do so for themselves.

It shows L.S.A.A. and the community that it will be in good hands in the future.

Our Thanks

goes to Moraine Valley C.C., for without their help and guidance, this tournament would not have taken place.

Our Special thanks goes to Mr. Bill Finn, who gave us the many boosts it took to get started.... Mr. Finn, your solid advice and your long reach into the community goes without saying as one of the greatest boosts we could have!

Mr. Finn... we could go on talking for pages, but feel that Webster didn't put enough words into the dictionary to express our gratitude!

So To You... Bill Finn... and your entire staff, as our cheerleaders would say, with a big W-A-V-E...

THANKS!

More Thanks....

To Mr. Lee Stanton....

A man no community should be without!

*Your arm reaches so far out into the
community not even you know of its effect!*

*Most of us at L.S.A.A. know of your many
talents.... One such talent was to help us
put our Tournament together. You went out
and helped us search for players, brought
us an idea for cheerleaders, which went
beyond our own dreams....*

*Thank you Mr. Stanton, for attending our
games, not as a principal from school, but
as a good friend!*

Mr. Stanton,

*We at L.S.A.A. say T-H-A-N-K-S....
and with that goes our greatest admiration.*

More of Our Special Thanks Go To....

Awards Unlimited of Oak Lawn: Ruth & Marty Fett, who saw to it that we had TROPHIES!

Jack Harnedy: Jack, thanks to your generosity... we had UNIFORMS for our Tournament!

Clara Novinson: Ticket Taker, Chauffeur, Baby-Sitter, Cleaning Lady, and WORRIER! One who gave up her basement for PRACTICE, and most of all.... Let Her Husband Out To Play!!

Roberta Sorenson: Clara's Aide (with one exception.... She Tore Up MORE Kleenex watching the games!!)

June Curtis: who was right there with a RIDE... or... keeping an EYE on kids!!

Frank Kirar: Who, in our opinion, is the BEST SCOREKEEPER in the business... that's why He's a Teacher! (All kidding aside, Frank.... THANKS!)

Beverly Sipe: who brought 5 KIDS from her side of town, which we really needed to get started!

Miss Parro, Mrs. Kusmac and Mrs. Archer: you could never even DREAM how much your SUPPORT meant to us!

John Weigand: A man who was THERE 15 years ago as a father, and helped us to GROW, returns tonight to see his efforts rewarded.

Alternative Graphics: who helped us with our printing.

Jules Bischetti: who never failed to be there, and would jump in to HELP whenever it was needed!
