

**LAKE SHORE
ATHLETIC ASSOCIATION**

1995

Annual Banquet

April 12, 1995

WELCOME

TO THE 1995 LAKE SHORE ATHLETIC ASSOCIATION BANQUET

It's hard to believe that 25 years ago, we stood in a small book store on 95th Street and planned a summer activity. An activity that was to last at least 25 years.

1995...

is the year that has seen Lake Shore Athletic Association grow to over a thousand young people.

1995...

is the year when you add all the hours put in by volunteers over the years. They are about 28,000 hours, not counting the many wives and mothers who gave of their time and efforts.

1995...

is the year that has seen L.S.A.A. Cheerleaders grow from 5 to 40 in a season.

1995...

is the year when past members came with their children to join.

1995...

is the year that has seen the most points scored in a game...102.

1995...

is the year when over 100 kids and their parents enjoyed a Pizza Day and a ball game.

1995...

is the year that L.S.A.A. is hoping that many from the past join us tonight and meet the "future."

Welcome!

A Passage from Lou's Ledger...

Well here we are 25 years later. It seems like yesterday when I sat with Dave Weigand and talked about entering a team in the Park District's Summer Olympic contest they were having back in 1970. I was thinking about the early 50's when I was just about the same age, and had just about the same reputation, it was then I knew that I would talk to my brother-in-law who owned the store we were using for a meeting place, *The Village Book and Card Shop* on 95th Street. I told him, "remember when we used to get the same raps these guys are getting?" Of course, with the name of the 'Assassins' I too thought about taking a second look, then I remembered, we had a name too, and were blamed for everything from blocking the sidewalks to bank robbery, of course, we did block sidewalks. These kids, I felt, on any given day could live up to their name. But that's not what they wanted, they even showed me a news story about some trouble they had been in. I told them I would bet them if they won the park tournament they would be all over the front page. Don't get me wrong, that's not why they were looking for a sponsor, others in town also read that article they showed me and believe me, that could end the parks contest in a minute if the other kids in town felt like they might have a problem. So it was with great reluctance that they changed their name, they decided since no one could come up with a suitable name for such a worthy group, they would take the name of the park they hung in, 'Lake Shore.' From that day on they were known as the "Lake Shore Athletic Association" and take my word for it, have helped to build up rather than disrupt their community. Oh yes, as to newspaper stories, I believe they have been written about more than any other group in town, from the 'Oak Lawn News' to the 'Chicago Tribune' and I for one am a real proud guy to have been there in the beginning.

This is just one page of over 9,500 that I have in the ledger that will someday soon be in the Oak Lawn Library.

P.S. I wonder if that kid still has that article he showed me 25 years ago.

The Merry Maids

1995 COACHES

**MARY
RANKIN**

Mary has been with Lake Shore Athletic Assn. ever since she was a student at Sward School. We have followed her academic career through Jr. High, High School and St. Xavier College. Mary loves working with young people and has an illustrious career working with cheerleaders. She has put in over 7,500 hours thinking up routines, practicing and then have her Merry Maids do them. She is known at many of the nursing homes, schools for the hand-icapped, various colleges and even the Chicago Stadium had a chance to see her Merry Maids perform. Mary just completed a four year course in accounting in three, and is now going for her C.P.A. Good Luck Mary, from all of us!

**MICHAEL
FOY**

“Mr. Prez” as he is fondly called, Mike is the President of Lake Shore Athletic Assn. and has been around since 1984...Mr. Dependable. How he does it, no one knows. But, when you need him he’s there, not only to fill in when a coach is missing, or a referee misses, keeps the score book, stacks the chairs, sets up the equipment, M.C.’s the banquets and just about every-thing everyone else misses. Mike, the day you walked into see if L.S.A.A. needed help, was the day they knew the organization was a success.

**TOM
RANKIN**

Tom, he’s an organizers dream. He handles not only the mechanical problems, but helps organize bus trips and helps his wife Mary spotting the cheerleaders when they do there pyra-mids. He will take on any job given to him, Tom thanks for being there!

**VANESSA
ALLAWAY**

Our newest claim, Vanessa, started out with the camera and in no time at all she had a seat at the scorer's table keeping the score book. The timekeeper, Jules Baschetti, said “Don’t even think of putting her back on the camera, she’s the best we’ve had in that spot.” Vanessa grad-uates from St. John Fisher school and will be attending St. Ignatius High School. She also plays basketball for her school team, attends De Paul’s summer camp, and volunteers her time with the Special Olympics at Mt. Greenwood Park. Vanessa is a real find and she’s “Ours.”

1995 COACHES

**MIKE
DAGGY**

Mike is coaching in his second year. A graduate of Richards High School, Mike has been around Lake Shore Athletic Association since 1986 and like many of the guys, when his playing days are over, he takes on coaching. Mike is a graduate of E.T.I. and is now a full time heating and ventilating serviceman. In his spare time he coaches at L.S.A.A.

**TONY
BAZZERI**

Last year Tony was an Assistant Coach, this year he took on his own team and won the 1995 Championship. Our congratulations, Tony!

**JOHN
McNAMARA**

Smiling John. The guy who keeps everyone feeling good around the gyms. John is in his second year as a coach for Lake Shore Athletic Assn. Truly Lake Shore's blessing that a guy like John decided to tie up with us.

**SHARON
BYLAK**

Sharon is an Assistant to Mary with the Cheerleaders. She was one of them herself and like so many, has come back to help out. To Mr. and Mrs. Bylak we say thanks, Sharon is a rare find.

1995 COACHES

**JENNY
DAGGY**

Jenny is the other Assistant. She too comes from the ranks, as her sister and brother did before her. A real plus to L.S.A.A. Jenny has made a name for herself. Now that she is going to high school, we feel she will get the same high marks she gets with us.

**ED
RLY-KUCHARZ**

Eddie came to Lake Shore Athletic Assn. back in 1988 and was a player until 1993. He came back this year and coached and did a good job.

**DAVE
MICHELES**

Dave worked as an assistant to John McNamara with the Lakers. After a slow start he kept running them through their paces and ended up in 3rd Place. Nice job Dave!

**JULES
BASCHETTI**

Jules doesn't need an introduction. He has never missed a game at the clock. Three things Jules knows: 1) how that clock operates, when that clock operates and who operates it; 2) loyalty: if Jules is a friend, it's for life. Both Lake Shore Athletic Assn. and yours truly can vouch for that. A Sunday without Jules Baschetti, is like a day without the light shining; and 3) to Jules, the most important: Notre Dame "especially the football team."

1995 COACHES

**KATHY
FLYNN**

Kathy is no stranger around the gym. Last year she took both the Season Title and the Playoff Title. Kathy seems to have that knack of getting 110% from her players. She is a real credit to L.S.A.A.

**GREG
FORETSCH**

This makes 5 years for Greg. He enjoys working with L.S.A.A. and teaches his players every facet of the game, particularly about time-outs. Greg looks forward to becoming a teacher.

**ROBERT
BURNS**

Bob was a player last year, and has come back this year to work with Mike Daggy, and between them guided the "Lakers" to a second place slot. Not bad for a start!

**LOU
NOVINSON**

PLAY BALL

**MARC
BUSCHETTI**

Marc, hat on backwards, whistle in his mouth, is like a fixture on the court. First as a player, then as a coach, then a referee, the clown of the Refs. He calls a foul and then gives you hand signs as to who it was, and if you miss the sign you have to wait for the next time out to learn who it was. A graduate of Richards High School and St. Francis College, now with U.P.S.

**RICH
VEGTER**

Rich has been part of our family for 7 years now and that tells you something about him. He is Johnny-on-the-spot when it comes to Lake Shore Athletic Assn. Like Rich says, "That's what 'Family' is all about."

**RON
COLOSSO**

Ron, like Rich, came to us through M.V.C.C. Coach Bill Finn. He too has become part of the L.S.A.A. family. A Sunday without Ron, just isn't. To know Ron, is to know that words don't tell you his Dept. Also, congratulations on your engagement.

A VERY SPECIAL THANK YOU

The Chicago Area Special Olympics would like to gratefully acknowledge and publicly thank the young people and advisors of Lake Shore Athletic Association for the generous donations of time and money over the years to benefit others less fortunate than themselves. There has never been a request made on behalf of the Special Olympics athletes or their families that has been refused by Lou Novinson through the generous donations raised by his athletes and cheerleaders in Lake Shore Athletic Association. Not only actual dollar amounts, but also cakes for the athletes, fruit, sugar, creamer, and premiums for the parents of the athletes, and even tickets to the Ice Capades and Circus have been provided to our efforts through all of your efforts, knowingly, or unknowingly. Congratulations on the end of your season, and this banquet that caps it. We look forward to a continuing relationship with your group, and hope some of you will donate your skills on an individual basis to our athletes in the future. Once again, a heartfelt "Thank You."
